KARON has a simple mission: to make customers' lives easier, provide excellent service, and help them grow. Its values are an essential part of its culture and the source of its continued growth and success.

About Us

KARON is a wholesale trading company that provides high quality products and services. Distributing selected brands, KARON strives to meet the needs of customers and exceed their expectations. KARON has a wide range of food and beverage, cleaning products and more and provides all for your needs.

KARON brands meet with distinguished customer base at the most exclusive points of Turkey. This makes KARON a preferred business partner. KARON has a simple mission: **to make customers' lives easier, provide excellent service, and help them grow.** Its values are an essential part of its culture and the source of its continued growth and success.

With its wide product range, KARON offers domestic and imported food, nuts, flour, olive oil, healthy and vegan snacks, organic farm products, fresh vegetables and fruits carefully produced with the principle of clean agriculture, cleaning detergents and chemicals, from selected brands to wide-ranging food products, beauty and cosmetics products, lumber, medical and medical products, paper and paper products and printing packaging companies in its portfolio. It aims to offer the products and services that meet the market demand to its customers in the fastest and most accurate way. KARON offers a wide range of product solutions to its customers' needs. Sustainability and food safety are the main targets in their business where adherence to industry regulations helps reduce risks for their clients. KARON's local focus has been a major role in its success and leads it to develop strong relationships with customers in every community.

CHEMICAL AND COSMETIC PRODUCTS

Our supplier, which is the sector leader in the production of Arabic soap and liquid Arabian soap, and among the top 3 manufacturers in bleach groups for the demands of home care and chemistry, closely follows all scientific and technological developments.

In the personal care and cosmetics category, we cooperate with the first and most established cosmetics companies that produce many cosmetic products such as deodorant, perfume, personal care, skin care, hair care and color cosmetics.

With the assurance of KARON, examine more than 5500 products of chemical and cosmetic companies with sectoral experience.
